

Bromley Well

Community Befriending Service

Our service offers a vital lifeline to older people who are experiencing social isolation and or loneliness. Working with our trained volunteers, we provide:

- **Home Visiting:** A weekly one to one home visit from a volunteer for a good chat and perhaps a cup of tea.
- **Telephone Befriending:** A weekly telephone call from a telephone companion.
- **Out and About:** A Bromley Well volunteer companion will encourage and motivate you to get back into the community by accompanying you on walks and light shopping until you feel confident to do it alone.
- **Community Hubs:** A place to socialise, make new friends and take part in fun activities.
