

Bromley Well

Long Term Health Conditions

The **Bromley Well** Long Term Health Conditions Support Service helps people aged 18+, who are Bromley residents and are living with health conditions such as high blood pressure, diabetes, heart disease, COPD - Chronic Obstructive Pulmonary Disease, etc.

This service provides free and person-centred practical, emotional and lifestyle planning support to help people manage their conditions, and increase their confidence and resilience.

How we can help

- Programmes to help you develop the skills and confidence to manage your condition
- 1-2-1 emotional support face to face, over the telephone, instant messaging & home visits in exceptional circumstances
- Opportunities to meet others and share your experiences
- Information, advice and guidance
- Access to support groups and networks
- Handyperson service for minor adaptations to your home
- Employment and education support
- Help with finding specialist services

Our support sessions and activities are accessible at different locations throughout Bromley. Get in touch and find out more.
