## What type of work can be carried out?

- **Minor Repairs:** fitting curtain rails, shelving, replacing tap washers, changing light bulbs and fuses.
- **Home Security:** installing key safe units and door security chains.
- **Safety Measures:** fitting grab rails, securing floor coverings, re-arranging rooms and moving furniture for easier and safer access.
- **Energy Efficiency:** installing draught excluders, bleeding and checking radiators.
- **Other minor works** can be carried out on request, to enhance independent living.

The Handyperson Service will not offer gardening, painting and decorating services.

## Who can refer?

GPs, Hospital staff from Wards, Clinical Decision Unit, Discharge Lounge, Emergency Department or Urgent Care at Princess Royal University Hospital and the Frailty Unit at Orpington Hospital, the Transfer of Care Bureau and Bromley Local Authority staff, including Social Care Practitioners.

If you are not eligible for the free handyperson service but live in the Borough of Bromley, we offer the service at an hourly rate. Contact **Bromley Well** for more information.
