

Adult Carers Newsletter

Carers Spring Forum

“You seem to offer a varied programme in your newsletter, always good to read and keep in mind”

Over 25 carers joined us for our Spring Forum in March at Community House in Bromley. We presented a service update which included how many carers we have supported and how many carers and professionals have attended our groups and courses from October 2017- February 2019.

The afternoon started with a game of Social Bingo which was enjoyed by all. We then updated carers and professionals on our upcoming service development; such as our Carers Allotment and Walking for Health Walks- more details of those on pages 12 & 13! Carers then enjoyed tea and cake, followed by a reading of two of the Carers Creative Writing Competition pieces; including the winning entry **Reminiscences** featured on page 15.

Thank you to all that attended and participated and for all your valuable feedback. We are glad you enjoy our newsletter and appreciate you taking the time to read it and getting involved with our service! Please let us know if there is anything you would like us to arrange for our next or future Carers Forums.

**Come along to
our next
Carers Forum!**

South Street, Bromley, BR1 1RH
Please RSVP

What have we been up to?

Carers attended First Aid workshop delivered by British Red Cross

Grant Hoyle from British Red Cross ran a free Everyday First Aid workshop for carers in Bromley. Grant has kindly agreed to come back and hold another workshop in June. Please see page 9 for further information.

Carers led three knitting groups

Two of our carers led three knitting groups in January, February and March; making miniature hats for Age UK's Big Knit Campaign. Diane and Margaret said they found making the hats relaxing and therapeutic. They will also be running the Arts & Crafts groups going forward. May's Arts & Crafts group will be related to Dementia in aid of Dementia Action Week. Thank you Diane and Margaret for dedicating your free time to support other carers!

Carers attended two Mindfulness for Resilience workshops in Mottingham and Penge run by Bromley Mindfulness

Robert Mitchell of Bromley Mindfulness delivered another two workshops for us last quarter- in Penge in the afternoon and in Mottingham in the evening. Carer feedback included:

"I enjoyed the course, especially the managing sleep patterns and techniques to help with sleep. I found Robert very helpful and the relaxation techniques very useful".

"I thought the course was fabulous. There weren't many people at it, but this meant we got a lot more personal time with Robert. I thought he was very "in tune" with the needs of carers and geared relaxation techniques to our lifestyle. I found it very useful and interesting".

Our Mottingham evening workshops were far better attended than our afternoon sessions in Penge. We hope that Bromley Mindfulness will be able to deliver some more mindfulness workshops in autumn- so please let us know your preferences if you are interested in attending.

We said goodbye to Natasha and Parmjot (PJ)

We said goodbye to Natasha in early January and Parmjot (PJ) in early February. The Adult Carers team would like to extend the thanks of the carers they supported and for the contribution they both made to the Adult Carers service.

We wish you both well in your future and luck in all you do.
Many thanks from us all!

We welcome Alison (Allie) Perriss to the team!

Allie joined the team in late February this year. Some of you may have already met or spoken with Allie, but for those who haven't, here's a short message from her:

"I have worked with Age UK Bromley and Greenwich for nearly 4 years in several departments. I look forward to transferring my skills and experience to supporting carers. I look forward to getting to know the services we provide and the carers we support over the next few months."

We welcome Kelly Richards to the team!

Kelly joined the team in March this year. Again, some of you may have already met or spoken with Kelly, but here is a quick message for those who haven't:

"I have been working for Age UK Bromley & Greenwich and have a strong background in Dementia support. I'm looking forward to working with the team and looking forward to meeting some of you at the varied groups and workshops we have available!"

We say goodbye (for now!) to Helen Brushett

"I will be taking maternity leave at the end of April and wanted to say a little goodbye (for now). I intend to be away for a year and will return in Spring 2020. I wish you all well! Helen"

Helen's maternity cover will be starting in April, so that Helen can handover fully to her replacement. There should be no period left without a Mental Health Carers Support Advisor in post.

Please call **0203 409 5228** or e-mail wellbeing@bromleywell.org.uk for further information about Helen's maternity cover.

Bromley Well Mental Wellbeing Service

Are you feeling low, stressed and worried?
Bromley Well Mental Wellbeing Service may be able to help
with:

- A series of telephone appointments to help you first understand and then consider ways to look after yourself and practically manage your wellbeing. This will include managing any symptoms you may have such as anxiety attacks, poor sleep etc.
- Information and advice on appropriate services and therapies available locally and how to successfully access them
- Help you create your own personalised document detailing your plans to maintain and improve your mental wellbeing and the next steps you want to take to move on
- Access to peer support groups to explore common difficulties such as depression, stress and anxiety; giving you an opportunity to meet others with similar experiences and learn about practical techniques to help manage and maintain your wellbeing in a friendly and supportive environment

Contact

If you are already registered with Bromley Well, you can ask an advisor to refer you to the Mental Wellbeing service.

Bromley Community Counselling Service (BCCS) is a registered charity whose aim is to provide counselling to anyone over the age of 18 who lives in the London Borough of Bromley or surrounding areas. The service is for people who may be struggling with personal, emotional, or mental health difficulties and is geared to assisting them either to find new ways to make a fresh start in certain areas of their lives or to come to terms with things that can't be changed. Their mission is to provide high-quality, effective affordable counselling and support for individuals with a view to promoting self-awareness, psychological wellbeing and mental health.

Westmeria Counselling Services has been established since 2003 and is recognised for its quality of service throughout the Bromley borough and beyond. They offer a private branch to their service for those who do not want to wait, have specific timings or can afford to pay for their therapy. However, the cost of the service is subsidised to enable it to be more affordable than private counselling elsewhere.

Dementia Support

What's available for carers in the borough?

Bromley Dementia Support Hub is commissioned by Bromley Council and NHS Bromley Clinical Commissioning Group (CCG) and delivered by organisations with many years of experience and expertise; including Mindcare Dementia Support (part of Bromley, Lewisham & Greenwich Mind), Age UK Bromley & Greenwich and Oxleas NHS Foundation Trust. Support is available free of charge for people with dementia in the London Borough of Bromley and their carers. Support for carers includes:

Support & Information

For carers on a one-to-one basis:

- Information about dementia, tailored for your needs to assist you in your caring role
- Support to access services in the local community
- Carers groups and mutual support
- Help with planning for the future
- Help with understanding and accessing all the support you are legally entitled to as a carer

Group Workshops

A series of workshops are available, offering information about dementia with a focus on the individual experience of the person with dementia. This is a chance to meet and share experiences with other dementia carers in similar situations.

Carers will learn about:

- Understanding dementia – including benefits and support
- The experience of dementia and the impact on the person
- Meeting the emotional needs of the person with dementia

Coaching

Personalised coaching in the home, focusing on your own experiences, challenges and needs as a carer of a person with dementia. Coaching is available for individual carers or family groups to help you make the changes necessary to care for someone with Dementia.

Memory Mates

A monthly peer-to-peer support and social group for those living with dementia in the Borough of Bromley who are under the age of 65. Explore ways to live well with dementia and give a voice to those with the diagnosis.

Polite Notice

about our free courses & workshops

The Bromley Well Adult Carers team understand the time constraints on carers. We aim to put courses, groups and workshops on at times that carers have fed back to us are accessible to them. We also work very closely with Bromley Adult Education College and other organisations to provide a wide range of courses at varied times, which are all **free of charge to carers**. We kindly ask that anyone who books on any courses or workshops let us know if they are unable to attend **as soon as they know**, so we can offer the space to another carer.

If courses are not well attended, providers may be reluctant to run them again for us.

We thank you for your consideration and co-operation.

Did you know?

May is **National Walking Month!**
Therefore, we thought this would be the perfect time to start our very own
Carers Walks!

Please check if you can make the date of our first walk on page 8 and register your interest with us!

Free breaks for carers!

In our last newsletter, we told you about free breaks for carers. We have partnered with carefree; a charity who strive 'to support and sustain unpaid carers, the invisible workforce without which our social care system could not survive'. Carefree have holiday accommodation providers all over the country signed up with them and you choose where you stay. There is more information about the scheme on the carefree website; but referrals need to come through us. Please contact us if you would like more information or would like to be referred to carefree for a free break.

We now have an allotment!

Getting outside and doing physical activity is proven to lift your mood and improve overall health. Not everyone has a garden or the time to commit to an allotment or garden of their own.

With our Carers Allotment you can tell us how much time and effort you can put in. We have lots of ideas but would very much like your input too!

Please let us know if you would be interested in being involved using the contact details below, as this will shape how often we hold groups and activities there.

Our grand opening is on:

Wed 29 May | 2:00pm – 4:00pm

Please contact us if you would like to attend, or if you can't make the grand opening let us know if you want to be involved in the future!

Carers Writing Competition

We're asking carers to submit a poem or short story relating to the theme of **'happiness'** and we'd love to hear from you. You can interpret the theme in any way you like, but your work needs to **relate in some way to your life as a carer**.

We will select the winning entry to be featured in our next newsletter. The winning entrant will also receive a mystery prize!

All submitted entries, with author's permission, will be compiled into an anthology and distributed alongside our newsletter.

What do I need to know?

- The competition is **free** to enter
- It's open to **all** carers and former carers
- No writing experience is needed
- Your piece can be as short as you like
- You must not exceed 1,000 words
- It does **not** have to rhyme
- Spelling and grammar are **not** taken into consideration
- This is a chance to tell us what it's like to be in your shoes

Great! How do I enter?

Entries must be submitted by **Friday 24 May 2019**. You can email your submission to us at carers@bromleywell.org.uk or send them by post to **Bromley Well Adult Carers, Community House, South Street, Bromley, BR1 1RH**. Not sure how to tell your story? Give us a call for a chat: 020 8315 1925.

Thank you!

In our last Newsletter we asked you to submit a poem or short story relating to your caring role and specifically to the theme of **'reminiscence'**. Thank you to all those who participated in the competition – all the entries will be compiled into an anthology which we hope to publish next year. We really enjoyed reading all your entries and encourage anyone who has entered before to enter again!

The team all ranked their top three creative writing pieces; giving a score of 1-3. The scores were then all totalled and the top three scorers were awarded 1st, 2nd and 3rd place. The top three entrants were unable to attend our Spring Forum to receive their prizes so will be receiving them shortly!

1st place: Maureen Axford

2nd place: Dave Martin

3rd place: Mylene Lamy

Carers Writing Competition Winner

Congratulations to Maureen Axford- our Carers Writing Competition Winner for Spring 2019!

Reminiscences

I want to write a poem and tell you how it is.
How looking after someone is not always a life of bliss.
For my someone has dementia, a man who was so bright
That I was always asking him the answers to my plight.
“How do I do this?” And “Where’s the way to that?”
He would answer patiently while he helped me clean our flat.

So now I do the same for him and help him every day.
I sometimes find it hard to find the perfect words to say.
It is not always easy with lots of things to do, like-
Injections, tablets, changing beds and maybe cleaning poo.
I keep him safe and keep him calm as he always did for me
Making sure the door is locked in case he wants to wander free.

And when he wanders back in time- a lovely time it was
And wants to collect the kids from school
But I do not make a fuss
I tell him that they are off with friends although
They are all grown up
And he settles back and smiles at me-
“Can I have another cup?”

And yet.....
The days are not sad at all, we sit here for a while,
Whilst we chat on about this and that,
And he really makes me smile.
A chink of light a little glimmer will surface through his mind
He remembers when we went to Rye and how people were so kind.

What a cruel disease this really is, to delete his memories so
But I remind him of those lovely times when we skied together in snow
We have a smile- and I love his smile, so gentle and unaware
That he is now the vulnerable one and I am there to care.
Our roles have changed and this is true of one thing I am sure
That we still love each other very much each day a little bit more!
