#### **OLDER CARERS WORKSHOPS & LUNCH**

In September, Tina was delighted to welcome Bromley Mencap's Digital Champions, Martin Kelly and Lee McPherson.

They brought their IT expertise and gave a wonderful talk on staying safe online, sharing some very useful tips. They also spoke about

the ever-evolving world of Artificial Intelligence (AI), which everyone found really interesting. Martin and Lee showed

people how AI can help when writing letters and making complaints. The session was described as very helpful, and Tina is hoping to invite them back next year.

## The October lunch was a big hit, with Frances from Foal Farm kindly joining us.

Foal Farm is a local Biggin Hill charity that rescues and rehomes neglected animals. Each year they help around 500 cats, dogs and small animals find new homes, and provide sanctuary to more than 100 animals.

Frances shared some lovely photos of the animals currently in their care.

If you are in the area,
Foal Farm is definitely
worth a visit. They also
have a tearoom serving
delicious homemade cakes.

We had a wonderful day out at the Rochester Christmas Market.
It was a great chance to enjoy some festive cheer and good company.

#### **LEARNING DISABILITY COOKERY CLASS**

In September, the group were busy in the kitchen cooking a Lebanese dish of shish tawook served with salad, followed by the classic Eton mess. Everyone enjoyed a tasty lunch – with clean plates and full tummies all round!

In October, we made a vegetarian main of ratatouille with rice, along with chocolate croissants – a first for the class.

People were impressed by how easy they were to make, with some saying they'd like to try them at home.
