Important update about young carer support in Lewisham

Exciting News for Young Carers in Lewisham!
We've recently found that some Young Carers who attend schools in Bromley actually live in Lewisham, which means they can't access the Bromley Well Young Carers service. The good news is that Lewisham Council now delivers the Young Carers service directly, providing support, activities and opportunities for young carers living in Lewisham.

If you live in Lewisham and are a Young Carer, or would like to make a referral for a Young Carer, please contact the Lewisham Council Young Carers team:

✉ Email: youngcarers@lewisham.gov.uk

The service was previously delivered by Imago, and from 1 August 2026 the service transferred to Lewisham Council.

The current Imago team member working with young carers has also transferred to the council, helping to provide continuity of support for young carers and their families.

Have a look at the information and support available through Lewisham Council and see what's happening in your local area. Don't miss out — get involved!

We hope this helps our Lewisham Young Carers find great support and activities closer to home. ❤️

Laser Quest – 23rd July 6–10 Yrs and 11+ Groups

Both our 6–10 and 11+ groups enjoyed our fantastic day at Laser Quest. There was plenty of teamwork, friendly competition, laughter and a chance to run around and let off some steam. Both groups had a great time, and the Young Carers team certainly had to keep up!

Horse-riding – 27th July – 4–8 years – 6th August 11+ Timbertops Stables

Our two day's of horse-riding sessions were a huge success. For some young carers, it was their first time on horseback, and everyone did brilliantly. The feedback has been fantastic, with many young carers and parents asking for horse riding to become a regular activity on our calendar.

A Roaring Great Day Out for Our Young Carers!

Over the summer break, our young carers enjoyed their very own safari adventure at Port Lympe Safari Park!

It was such a fantastic day out, where the young carers had the opportunity to see many endangered species and enjoy their very own safari tour. They learnt all about wildlife, conservation and the importance of protecting these amazing animals — all while having lots of fun!

Full-day trips like this are so important for our young carers and their families. They provide valuable opportunities to spend quality time with peers, create lasting memories and, most importantly, enjoy a much-needed longer respite break from their caring responsibilities.

A huge thank you to Beckenham Rotary Club for their generous donation of £1,000, which helped make this special trip possible for our young carers and their families. Your support makes such a difference!

Here's to more adventures, memories and opportunities for our amazing young carers!

11+ Accredited first Aid Course–26th August

Finishing the Summer with an Amazing Achievement!

To finish off our summer fun, some of our 11+ young carers got back to studying a little early by taking part in our accredited First Aid course.

They learnt valuable lifesaving skills, including CPR and essential first aid techniques, before putting their knowledge to the test by completing a written assessment.

I am very proud to say that every young carer who took part passed their course!

A huge well done to everyone who participated, worked hard and achieved their First Aid certificate, which is valid for 3 years.

What an amazing achievement and such a valuable life skill to take forward. You should all be incredibly proud of yourselves!

Well done, everyone – absolutely amazing!

🌻 Ethan & Jacob's Sunflower Success!

Green Fingered young carers

Remember the sunflowers Ethan and Jacob planted with us in 2025? They saved some of the seeds from their biggest sunflower and planted them again this year, sharing a few with friends and family too.

The results have been amazing – their sunflowers have now grown to over 6ft tall, even bigger than last year!

Ethan and Jacob know the seeds originally came from their Young Carers experience, which makes the sunflowers extra special. They'll definitely be harvesting more seeds this year to keep the growing tradition going!

Well done, Ethan and Jacob! 🌻

Young Carers Spotlight

My Young Carere Experience by Clarke Jefferies

“

As a young carer, sometimes I feel like I am missing out on big things that are happening in life. However, at the end of the day, I don't feel angry or sad about it. Instead, I feel thankful that I am able to help someone who needs as much support as they can get.

I tend to put my education first because I know that the person I care for wants me to succeed in whatever I choose to do, whether that is education, work or something else. Knowing that they want me to achieve my goals motivates me to keep going.

I don't think that I am falling behind. I know that if I can manage being a carer, I can also complete the tasks that I need to get done. Being a carer is partly about having the right mindset. You have to stop thinking of yourself as falling behind and instead recognise that you are juggling two equally important things on a very heavy back. I don't worry about failing my family because I know they will be proud of me whatever I achieve, as long as they know I have tried my hardest. For me, success isn't about being perfect; it is about giving something my best effort.

To other young carers, I would say: don't listen to what other people think about you. They don't know what your life is like or what you have to manage every day. Be the bigger person, remember that you are doing the best you can, and know that doing your best will always be something to be proud of.
